XI International Short Film Festival

ELIGIBILITY REQUIREMENTS

Short film in every format, genre and technique (fiction, animation, documentary, experimental) coming from every nation (films in a foreign language must be subtitled in English or Italian) can be submitted to the Festival.

The limitations are: films over 30 minutes long; industrial, spots, propaganda or naturalistic documentaries will NOT be accepted. The participation to the competition could be rejected due to low quality films in video or audio format, that eventually cannot guarantee a good public projection.

Entries deadline: 1 March 2010.
